

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 1997-518-C - ORDER NO. 2005-74  
FEBRUARY 9, 2005

IN RE: Application of Teligent, Inc. for a Certificate of ) ORDER CANCELLING  
Public Convenience and Necessity to Provide ) CERTIFICATE OF  
Resold and Facilities-Based Local Exchange ) AUTHORITY  
and Interexchange Services throughout the )  
State of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Teligent Services, Inc. (“TSI or the “Company”) to cancel its Certificate of Public Convenience and Necessity (“Certificate”) to provide local and interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that TSI’s authority to provide resold and facilities-based local exchange and interexchange telecommunications services in South Carolina was granted by Order No. 98-321, dated May 1, 1998, in the Company’s former name of Teligent, Inc. On July 9, 1999, the Commission issued Order No. 1999-493, which granted a name change from Teligent, Inc. to the Company’s present name of Teligent Services, Inc.

On October 6, 2004, a Joint Petition was filed with the Commission by Startec Global Licensing Company and TSI seeking approval of a transaction whereby TSI would transfer to Startec its commercial long distance customer base and associated customer account information. The Commission approved this transaction on December 15, 2004, in Docket No. 2004-282-C, and accordingly issued Order No. 2005-6, dated January 10, 2005. By letter filed January 13, 2005, TSI, through its counsel, notified the

Commission that the transaction approved in Order No. 2005-6 had been consummated. Thereafter, by letter of January 25, 2005, Manager of Regulatory Affairs for TSI requests approval of the submission of the Company's Certificate of Public Convenience and Necessity for authority to provide local and long distance telecommunications services in South Carolina. TSI states that the transaction between TSI and Startec Global Licensing Company was closed on December 31, 2004, and that since the finalization of the transaction, TSI ceased to operate in South Carolina and wishes to voluntarily surrender the Company's South Carolina Certificate.

As TSI is no longer providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that TSI's Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and interexchange telecommunications services within the State of South Carolina should be cancelled.

**IT IS THEREFORE ORDERED THAT:**

1. The Certificate of Public Convenience and Necessity to provide resold and facilities-based local exchange and interexchange telecommunications services within the State of South authorized by Order No. 98-321, dated May 1, 1998, and as amended by Order No. 1999-493, dated July 9, 1999, issued in the instant docket to Teligent Services, Inc. (f/k/a Teligent, Inc.) is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
